CONTINUATION OF COMPLAINT:**1.) Cesar Ysidro RODRIGUEZ-Gomez****2.) Rodolfo SANCHEZ-Robles****PROBABLE CAUSE STATEMENT**

Furthermore, the complainant states that **Juan Gabriel HERNANDEZ-Becerril, Abraham REYES-Cesareo, and Paciano CESAREO-Gonzalez** are citizens of a country other than the United States; that said aliens have admitted that they are deportable; that their testimony is material, that it is impracticable to secure their attendance at the trial by subpoena; and they are material witnesses in relation to this criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code, Section 3144.

On April 23, 2008, Border Patrol Agent G. McGrath was conducting patrol duties in Eastern San Diego County assigned to the Campo California Border Patrol Station. Agent Magrath was in full Border Patrol uniform and operating a marked Border Patrol truck. At approximately 3:30 AM, Agent Magrath was positioned at the intersection of Sunrise Highway and Old Highway 80, just east of Pine Valley, California when he observed a blue and silver Ford F-250 exit eastbound Interstate 8. He then entered back onto I-8 westbound. This area is located in a remote mountainous region approximately 50 miles east of San Diego, California and 20 miles north of the Tecate, California Port of Entry.

The Border Patrol I-8 immigration checkpoint is approximately two miles east of this location. It is common for alien smuggling organizations to use this area as a drop off point for groups to walk around the checkpoint on foot. Magrath proceeded after the F-250 to investigate further. As Agent Magrath entered onto westbound I-8, he observed that the F-250 was traveling at a very high rate of speed. Agent Magrath was forced to exceed 100 miles per hour and was still unable to overtake the F-250. Agent Magrath radioed ahead requesting any agents west of his position to assist. Supervisory Border Patrol Agent Hansen, assigned to the San Diego Sector Smuggling Interdiction Group (SIG), was near the Pine Valley Bridge and responded to assist. Agent Hansen was in full Border Patrol uniform and operating a fully marked Border Patrol sedan. Agent Hansen proceeded westbound. Agent Hansen was unable to catch up to the F-250 until it had passed Tavern Road in Alpine, a distance of approximately sixteen miles. Agent Hansen slowly brought his sedan up to the rear of the F-250 until he was able to read the license plate. The driver responded by slowing back down to normal highway speeds. At this time, Agent Hansen observed what appeared to be a tarp or a jacket flapping in the wind within the bed of the F-250. Agent Hansen contacted Border Patrol radio dispatch requesting stolen vehicle/registered owner information on the F-250 referencing its displayed California license plate.

Agent Hansen requested additional SIG agents in unmarked vehicles to respond to the area anticipating, due to the driver's already dangerous driving. As the F-250 approached Dunbar Lane, Agent Hansen pulled alongside the F-250's. Agent Hansen activated his passenger side alley light illuminating the driver, whom Agent Hansen positively identified as **Rodolfo SANCHEZ-Robles**. Only SANCHEZ and a front seat passenger, later identified as **Cesar Ysidro RODRIGUEZ-Gomez** were visible. Agent Hansen put out a description of the driver to responding agents. As soon as Agent Hansen pulled alongside the F-250, SANCHEZ accelerated the F-250, again reaching speeds in excess of 100 miles per hour. Agent Hansen pulled in directly behind the F-250, waiting to attempt a vehicle stop until SIG agents were in place with a controlled tire deflation device (CTDD). Border Patrol Agent Miranda positioned himself at the Los Coaches Road exit off I-8 in Lakeside, preparing to deploy a CTDD.

As the F-250 neared Los Coaches Road, the F-250 slowly reduced speed, soon falling below the speed limit. SANCHEZ continued and exited I-8 at Los Coaches Road. The F-250 picked up some speed on the off-ramp, continuing to the bottom turning northbound, failing to stop at the stop sign. Agent Miranda then joined Agents Hansen and Magrath following the F-250 into the gas station located on Los Coaches Road. The F-250 came to a stop. Agent Miranda approached the driver side and identified himself as a United States Border Patrol Agent to SANCHEZ and the passengers in the cab. Agent Miranda observed two people lying at Rodriguez's feet on the passenger side floorboard, and the rear seat area was filled with people lying down, totaling eight individuals within the cab area. The bed of the F-250 was also filled with people, totaling seven. Agent Miranda questioned all eight persons in the cab, including SANCHEZ and RODRIGUEZ as to their citizenship and immigration status. SANCHEZ stated that he was a United States citizen. All seven passengers in the cab admitted that they were citizens and nationals of Mexico. None could produce any immigration documents allowing them to enter, be or remain in the United States legally. All seven admitted to being illegally present in the United States. Agent Miranda placed all eight individuals found inside the cab under arrest at approximately 3:45 AM.

Agent Hansen identified himself as a United States Border Patrol Agent to the passengers in the bed area of the F-250. Agent Hansen questioned all seven persons in the bed as to their citizenship and immigration status. All seven passengers in the bed admitted that they were citizens and nationals of Mexico. None could produce any immigration documents allowing them to enter, be or remain in the United States legally. All seven admitted to being illegally present in the United States. Agent Hansen placed all eight individuals found inside the vehicles cab under arrest at approximately 3:50 AM. All fifteen individuals arrested in this event were transported to the Chula Vista Border Patrol Station for processing.

RODRIGUEZ admitted he was apprehended by the Border Patrol 10 times in the past smuggling undocumented aliens. RODRIGUEZ said that he stopped smuggling aliens about a month ago and returned to his hometown in Colima, Mexico. RODRIGUEZ said he was working as a field worker but it did not pay enough to support him and his wife. RODRIGUEZ said he was in need for money, and he contacted a smuggler in Tijuana, Mexico to smuggle aliens once again. RODRIGUEZ said that he made an agreement with the smuggler, to smuggle a group of undocumented aliens into the United States in exchange for his fee to be waived.
